Message from Mr. Allen Lofaro, Director of Operations, Europe

We are pleased to welcome you to GBS Malta, where we are committed to ensuring that your time with us will be a memorable and rewarding experience. You will be sharing your learning experience within a vibrant and supportive environment and will have the opportunity to meet and form friendships with students from diverse backgrounds.

Our objective is to ensure that GBS Malta will enable you to excel in your chosen area of study and continue developing your analytical and problem-solving and abilities.

It is our hope that your time at GBS Malta will be memorable, and I will be happy to provide you my full support throughout your visit here. We are confident that your time at GBS, in our vibrant and supportive environment, will allow you to develop in your chosen career path. Your passion for learning and building on the knowledge you have acquired from our dedicated academic team will serve you well as you move towards new and exciting career opportunities.

About Us

GBS Malta is a private provider of higher education, part of Global Education (GEDU), a leading organisation bringing high-quality education to over 60,000 students across 12 countries.

At GBS Malta, we are devoted to providing academic learning backed by real-world business experience that prepares students for leadership roles. Our programmes, including business, public health, information technology and marketing, taught by industry lecturers and practitioners, are designed for students who want a return on their education investment and for those seeking to thrive in today's competitive job market.

We are dedicated to fostering a collaborative learning environment, in a brand-new state-of-the-art campus, mirroring today's professional workplaces, equipping students with the skills and industry exposure needed to thrive in high-demand fields. Situated in Malta, students can enjoy high-quality, affordable education and a vibrant lifestyle in one of the safest countries in Europe.

GBS Malta is a licenced Higher Education institution (MFHEA Licence Number: 2022-010). Our licence has been approved by our regulator, Malta Further & Higher Education Authority (MFHEA) who is an independent, transparent, and international authority. Our courses are in line with the Malta Qualifications Framework and the European Qualification Framework.

Join us today where education meets business world.

MFHEA Board Approval

Our Programmes are assessed by the Malta Further and Higher Education Authority (MFHEA) and pegged to the Malta Qualifications Framework (MQF).

The Malta Further and Higher Education Authority (MFHEA) is responsible for ensuring the quality of education in Malta. It is responsible for licensing and accrediting all higher educational institutions, ensuring they maintain high educational standards that meet local and international requirements. As a result, the programmes with MFHEA accreditation cultivate a culture of academic excellence and ensure that students receive the finest education possible.

What our students say

Our students' voices highlight the enriching experiences and opportunities our university provides. They speak of engaging academic programs, supportive faculty, and vibrant campus life that fosters personal and professional growth. Their stories reflect the sense of community, cultural diversity, and transformative learning that define our institution.

“Come with an open mind to learn, come with an open mind to explore, come with an open mind to interact, not just with the lecturers who are industry experts. You have a lot to get from them but also to gain from your team members because it’s a diverse community here.”

Ifunanyachukwu Chiemezuworum
Master of Business Administration
Joined October 2023, Nigeria

“The faculty and staff at GBS Malta have always been incredibly supportive.”

Yogesh Ragaven
Master of Business Administration
Joined February 2024, Mauritius

“Being a student here, I can say that the lecturers and my staff members and everything just in the college are super helpful and amazing.”

Bipin Kumar
Master of Business Administration
Joined October 2023, India

“The faculty and staff are always friendly and show a positive attitude in both academics and administrative matters. Malta’s beautiful scenery and rich history creates a backdrop for learning

Mohammad Salman Javed
MA Business and Management
Joined May 2024, Pakistan

GBS Campuses

We have operates vibrant campuses in the UK, Dubai, and Malta, each offering a unique academic and cultural experience. Each campus is equipped with state-of-the-art facilities, a strong support network, and a commitment to delivering a high-quality education.

GBS UK

We have seven campuses in four of the UK's biggest and most exciting cities – London, Manchester, Birmingham and Leeds. Wherever you study with us, you will have access to the same range of state-of-the-art facilities and top-quality teaching.

Visit globalbanking.ac.uk

GBS Dubai

Situated in the heart of the Dubai Knowledge Park, Dubai's international education hub, our Dubai campus is modern with excellent facilities.

Delivering all that our students need to succeed – including excellent tech, a great library, quiet study spaces, group work areas and social zones – GBS Dubai campus is the right choice for your studies.

Visit gbs.ac.ae

GBS Malta

GBS Malta is located in the heart of coastal St Julian's, with everything you need at hand. All classrooms are equipped with the latest technology for teaching and learning, and there are dedicated spaces for study, research and socialising. Our rooftop terrace has views of the surrounding area and is a great place to meet your fellow students.

The information in the prospectus is correct at the time of going to press. It is issued for the general guidance of students entering the GBS Malta in 2024/26 and does not form part of any contract. GBS Malta will use all reasonable endeavors to deliver the course of study in accordance with description applied to it in the prospectus for the academic year in which you begin the program. However, GBS Malta reserves the right to:

- make reasonable variation to the course (including, without limitation, the content and syllabus of the course, including changes to individual modules, the location of the course or the method of delivery of the course);
- discontinue the course or combine the course with another course, especially if it has insufficient numbers of students to be viable, if GBS Malta considers this reasonably necessary. If GBS Malta discontinues the course, it will use reasonable endeavors to provide you with a suitable alternative.

GBS Malta welcomes comments on its programs from students' parents and sponsors. However, GBS Malta contracts with its students do no confer benefits on third parties for the purpose of the Contracts (Rights of Third Parties) Act 1999. A full copy of our terms and conditions can be found on our website.
